SECHTER, Simon (1788-1867)

C	509	Introduction and Fugue in D	<i>formerly attributed to Mozart ed. Richard Barnes</i>	£	5.90
---	-----	-----------------------------	---	---	------

Although this delightfully quirky piece is taken from Cipriani Potter's edition of Mozart's piano works, it is certainly not by Mozart. More recent research has established that it is by Sechter, the counterpoint teacher of Schubert and Bruckner.
